If known at this time, please provide a three-sentence description of the proposal that addresses what is being proposed, who and or what in the health system would be affected, and what the basic approach to reform would be.

This will be a one-payer system that is run by a combination of providers and consumers. It will address all values listed by the commission and will provide comprehensive services, universally available with strong components of wellness and health promotion, protection and prevention.

The information provided on this form will be posted on the Commission's web site.
